

PRODUCT-DETAILS

754A003D-182000

754A003D Model 2 CP Valve

General Information

Product ID	754A003D-182000
ABB Type Designation	Configurable Model 2 CP Valve
Catalog Description	754A003D Model 2 CP Valve
Long Description	754A001D and 754A003D are the same valve. The 3D version was designed for the Model 5000 and the 1D was changed to followed suit. Included with both are installation kits to adapt the valve to various instruments. The dash numbers are not interchangeable since we had th slider changes at the same time as the valve changes and many new slid materials were added. (However, many of the dash numbers are the same.) The pricing is the same for both versions. Dash 181000 signifies the new blue 10 port slider, 764M005-81. The -1D version is a standard part number but the -3D version is a configured part in our SAP.

Additional Information

ABB Type Designation	Configurable Model 2 CP Valve
Country of Origin	United States (US)
Customs Tariff Number	90279089
Gross Weight	1 kg
Invoice Description	754A003D Model 2 CP Valve
Made To Order	No
Minimum Order Quantity	1 EA
Order Multiple	0 EA
Package Level 1 Units	0 carton
Part Type	New
Product Name	754A003D Model 2 CP Valve
Product Net Weight	1 kg
Product Type	Spare_Parts
Quote Only	No
Replacement Product ID (NEW)	754A003D-122000
Selling Unit of Measure	each
Stocked At (Warehouses)	Wickliffe, Ohio, United States
Technical Information	754A003D Model 2 CP Valve
WEEE Category	Product Not in WEEE Scope
