

PRODUCT-DETAILS

72583A1

72583A1 Duty room interface (4 lamps), white

General Information

Extended Product Type	72583A1
Product ID	2CSH240455R2004
EAN	8012542404552
Catalog Description	72583A1 Duty room interface (4 lamps), white

Long Description	<p>Duty room interface (4 lamps), white Office interface with integrated signal lamp, designed with four lamp chambers in electricity-saving LED technology. Serves as a controller for offices with voice function, in order to integrate the concentrated station query (CSQ) into the room bus. With integrated switching technology for passive call and cancellation units incl. call group monitoring, the input and output parameters are adaptable to the local requirements.</p> <p>Local storage of the configuration data, including the 8-digit alphanumeric text for the office, display and audio parameters, special functions and additional display texts (call types etc.). Equipped with service socket for the configuration module and selector switch for standby current/operating current. Support with commissioning due to remote access functions. Easy assembly due to service-friendly joining technology in conjunction with related connection board. Integration into the room terminal interface in the room bus. Upgradable to future system firmware due to forward-looking flash technology.</p>
